

Mount Rushmore National Memorial

## Working with South Dakota

### By the Numbers

Almost every American city and town claims a little bit of the National Park Service. Communities invite us to help them. Together we build trails and playgrounds, return historic buildings to productive use, revitalize neighborhoods, expand affordable housing, protect watersheds, recognize and promote local history, and introduce the next generation to stewardship opportunities. When we combine our expertise and resources we can accomplish great things.

6 national parks

4,199,267 visitors to national parks (in 2010)

\$141,846,000 economic benefit from national park tourism (in 2009)

1,274 National Register of Historic Places listings

\$60,586,885 of rehabilitation projects stimulated by tax incentives (since 1995)

27,983 hours donated by volunteers (in 2010)

13 National Natural Landmarks

15 National Historic Landmarks

\$36,284,157 in Land & Water Conservation Fund grants (since 1965)

201 federal acres transferred for local parks and recreation (since 1948)

\$19,192,380 in historic preservation grants (since 1967)

12 community conservation and recreation projects

81 historic places documented by the National Park Service

520,302 objects in national park museum collections

7 threatened and endangered species in national parks

396 archeological sites in national parks

19 Certified Local Governments

2 Teaching with Historic Places lesson plans

5 Discover Our Shared Heritage travel itineraries

These numbers are just a sample of the National Park Service's work. Figures updated 12/2010.
